Grace Lutheran Disaster Relief and Recovery Efforts

Most of us are by now familiar with the devastating results of Helene. The LCMS and Lutheran Early Response Teams are generating contacts and plans to help with the recovery. I have been in contact with Lutheran Church Charities who tell me that plans are beginning to develop for volunteers to be involved. Right now, the best thing we can start with are donations.

[So, here is our plan here at Grace:](#)

FIRST, we plan to have a door offering on **October 27th for Reformation Sunday**. Every dollar will be spent to help those who need help.

SECOND, Pastor Woods will be holding a training event on Oct 26, 9:00 to 12:30 (Lunch afterward)—Please let me know you are coming. Training will prepare anyone interested in going on a possible mission trip before Christmas this year. *Training will be required for this trip mainly because of the hazards involved with the flooding.* Synod requires that we have basic LERT training and flood recovery training on this one. At the end of the meeting, we will register you with LERT and submit our background checks electronically. There is no cost except time. I know this is short notice, but things are already moving quickly.

THIRD, a mission trip will be announced as soon as a window lends itself to go. We are shooting for the second week of November. This could be a challenge because it depends on the room to house volunteers. There are many moving parts at this point. I would encourage you to take the training if you think you may want to go with teams after the first of the year as well. The key is preparation at this point. If you have any questions, please contact me at pw@glcna.org.
