Pyramids in Egypt are shaped like triangles. Connect the lines to draw triangles that look like pyramids.

Praise for God's Goodness

Psalm 111 Praise the Lord!

- 1 I will thank the Lord with all my heart in the meeting of his good people.
- 2 The Lord does great things. Those people who love them think about them.
- 3 What he does is glorious and splendid. His goodness continues forever.
- 4 His miracles are unforgettable. The Lord is kind and merciful.
- 5 He gives food to those who fear him. He remembers his agreement forever.
- 6 He has shown his people his power when he gave them the lands of other nations.
- 7 Everything he does is good and fair. All his orders can be trusted.
- 8 They will continue forever. They were made true and right.
- 9 He sets his people free. He made his agreement everlasting. He is holy and wonderful.
- 10 Wisdom begins with respect for the Lord. Those who obey his orders have good understanding. He should be praised forever.

The angel of the Lord appeared again to Joseph in a dream, this time to warn him. Read Matthew 2:13 to see what he told Joseph and fill in the blanks below.

"Take the _____ and his mother and escape to _____ ... for _____ is going to search for the child to _____ him."

The maze is a complex square grid with many paths and dead ends. At the top right corner, there is a five-pointed star with radiating lines, labeled "Bethlehem". At the bottom left corner, there is a small icon of a pyramid, labeled "Egypt". The maze is intended for a child to trace a path from the pyramid to the star.
